# Builders Risk Coverage

## COVERAGE ESSENTIALS BUILT FOR THE INLAND MARINE INDUSTRY

As a company founded by contractors in 1959, FCCI Insurance Group understands the complex risks that contractors face. We are committed to providing a wide array of Inland Marine solutions for all types of contractors and construction businesses. We'll help you manage the risks and protect your business.

### PROTECTION WHILE UNDER CONSTRUCTION

During the course of a construction project, the exposures and potential for losses change. The risk of property damage and financial consequences can delay the building process or stop it completely.

FCCI's Builders Risk protects property structures and materials during new construction or renovation. Our comprehensive coverages and flexible enhancements can be tailored for a variety of construction projects.

Let FCCI's Builders Risk provide the much needed protection to keep the project moving forward.
