

FCCI RISK SOLUTIONS NETWORK

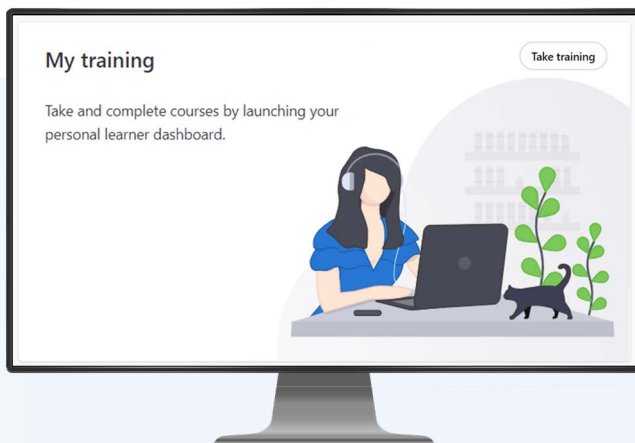

Learning Management System (LMS)

FCCI policyholders receive access to an eLearning training portal, through the FCCI Risk Solutions Network.

WHAT IS THE LEARNING MANAGEMENT SYSTEM?

The Learning Management System (LMS) is an online platform to simplify the administration of employee training programs. Offering a diverse selection of more than 250 self-paced courses, businesses can meet a variety of individual needs on a continual basis. Our platform provides a user-friendly digital experience through a live-action dashboard and 24/7 access on a mobile or desktop device.

Enhance employee training experience with our Learning Management System. Reduce the time and cost it takes to organize, track and administer employee training.
