

Wind Mitigation Discounts for Residential Property

Wind mitigation premium discounts may be available for residential properties in Florida when a windstorm or hail is a covered cause of loss and the home includes one or more documented wind-damage mitigation features that provide protection against wind and rain damage during hurricanes or other severe weather events.

With appropriate proof of compliance, wind mitigation discounts may be offered if one or more of the following loss mitigation features or construction techniques exists:

- ✓ Roof Covering
- ✓ Roof Deck Attachment
- ✓ Roof to Wall Connection / Attachment
- ✓ Opening Protection Devices
- ✓ Lower Risk Roof Shape
- ✓ Secondary Water Resistance
- ✓ Internal Pressure Design
