CARIBBEAN AND THE ISLANDS OF THE BAHAMAS AND BERMUDA

Welcome to the CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality surrounded by colonial architecture on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

ANGUILLA Tranquility Wrapped in Blue

"Tranquility wrapped in blue" may be a romantic way for locals to describe this northernmost island in the Leeward chain, but it's apt. Just a short shuttle away from St. Martin and quick flight from Puerto Rico, this serene island is steps from the beaten path, preserving character and exclusivity. A single road connects tip to tip, with dusty streets branching off to delightful surprises, from quaint villages to majestic hotels and 33 intimate beaches. Public, yet uncrowded and unspoiled, each are uniquely marked with rock and coral formations, picturesque tropical plants, and a reputation for being among the world's best.

Is your bliss a beach that blinds with white sands, electric seas, and bright beach bars? Shoal Bay is where you should stay. Are plush sands, classy dining, and posh hotels your ideal retreat? Meads Bay is what you seek. Or is lively conversation over a casual meal what you crave, with dancers spinning behind you to the beat of live music? Then make Sandy Ground, the island's "entertainment capital," a must.

To the south, English Harbour—site of the world's only Georgian naval dockyard—and Falmouth are international yachting and sailing destinations; in the north, cruisers look forward to stopping in St. John, one of the most cosmopolitan municipalities in the Lesser Antilles. BAHAMAS AT HEART

Be embraced by the balmy ocean breezes of The Bahamas. Stroll through our tropical waterscape, teaming with exotic marine life and surrounded by the sights, sounds and tastes of a rich Bahamian culture. Experience the warmth of unhurried and welcoming hospitality. And discover that when you slow down, just a little, life's simplest pleasures have a chance to catch up.

ATLANTIS PARADISE ISLAND BAHAMAS

BAHAMAS It's Better in the Bahamas

Only 50 short miles off the coast of Florida, over 700 islands and cays splay across 500 miles of clear turquoise waters. Some call it paradise, but we know it as the Bahamas. With flamingos in the skies and pods of dolphins in the seas, it only takes a second to relax into the charm of its narrow streets, picket fences, and colorful clapboard houses.

The only thing outnumbering these islands are the reasons travelers love them. Nassau is a cruise ship darling, its two-mile Cable Beach drawing crowds; its international airport is always bustling with visitors headed to nearby Paradise Island and the planet's largest open-air marine habitat. Grand Bahama Island, home of the Lucayan National Park and its six-mile-long mapped underwater cave system, is also where the archipelago's most upscale golf courses are. Of course, the Out Islands offer a more secluded, sheltered experience for vacationers who want to kick back and reset their clocks to island time.

On all the islands, you'll find dockside restaurants serving delectable conch dishes, spectacular diving—including plunges to amazing blue holes—and snorkeling, incredible boating and more...all just steps away from boundless beaches.

BONAIRE Once a Visitor, Always a Friend

Ringed by glorious offshore reefs, to dive this island is to love it. Protected as a marine park, the call of the sea is a siren song, with "drive-through" dive stations for tank refills set up between stone markers naming the sites en route. Park, and a literal two minutes' swim takes snorkelers and scuba divers to complex coral landscapes and stunningly preserved reefs, guarded by charming seahorses. Meanwhile, kayaks are the transport of choice through Bonaire's rare and pristine mangrove system.

Above the clear waters is even more untouched beauty, with beaches just the right size for you and one more. Company comes in the form of darling donkeys or feathered friends at Gotomeer, where flamingos wing their way nightly to Venezuela. In Washington-Slagbaai National Park, prickly pears, guida cacti and startling rock formations are happy companions for a 13,000-acre walk. Even the views from on high, such as from Sera Largu, past the tiny village of Rincon, are peaceful and solitary, with the ghosts of salt pans rising from purple "lakes" in the distance.

CAYMAN ISLANDS Wherever You Find Your Smile, You'll Find Ours

One glimpse of Seven Mile Beach's silver sands may trigger a wave of déjà vu; its casuarina tree-fringed landscape is a postcard favorite. Known as a top diving destination, over 200 sites can be found within these three western islands, where visibility of shipwrecks, reefs, dramatic walls, and drop-offs reaches up to 100 feet. Too deep? Try Stingray City, where these gentle animals' fins flutter peacefully against you in water only three feet deep and half a mile from shore.

Back on land, there's still much to discover. The famous black limestone formations of "Hell" are striking, but the capital city of Georgetown is a cosmopolitan hub and busy cruise port, where dutyfree shopping—from European fashion to Caymanite jewelry—is plentiful and diverse. The cuisine here is just as hard to resist. Local restaurants serve fresh conch, lobster, grouper, jerk chicken, and West Indian side dishes in grand style or casual comfort—both of which are also options for your stay.

CURAÇAO The Water is Calling

A blend of colonial Dutch design and West Indian whimsy, a stay at the "C" of the ABC Islands is as colorful as the façades of Willemstad. Floating craft and produce markets, modern art galleries, the Queen Emma Bridge, the largest African collection in the region at the Museum Kura Hulanda, relics at the Maritime Museum—these are surpassed in visual pleasure only by the island's 35 beaches and unbelievable diving. The Mushroom Forest and steep Curaçao Wall are musts, as are the anemones and scorpionfish of Klein Curaçao. Open-water dolphin and sea lion dives are also options, in case the Sea Aquarium wasn't up-close enough.

The island's energy is equally vibrant. Art comes to life on the table; the dining in this polyglot destination is influenced from every corner of the earth. Carnival makes winter worth celebrating, and the North Sea Jazz Festival draws talent from around the world. Nightly, the Salinja district dances until dawn with the joy of simply being in Curaçao.

DOMINICAN REPUBLIC Has It All

Consider this gem hidden no longer—leisure travelers have caught wind of this escapist's dream. Puerto Plata's sunny beaches and affordable all-inclusives already have their share of loyal devotees, and Punta Cana and Bavaro's 20 miles of shoreline are hot on its heels. Dominican Republic is quickly building a reputation as a premier vacation spot—almost as quickly as the area is building golf courses designed by the likes of Jack Nicklaus and Nick Faldo; full-service marinas; and, of course, mega-resorts that leave you wanting for nothing.

Nearby, La Romana's quaint Altos de Chavon enclave is an exceptional work of livable art, with shops, boutiques, a gallery, restaurants, amphitheater and more perched high above golf courses, polo fields, tennis courts and a marina. Not to be forgotten is Cap Cana, a luxurious community with an array of five-star hotels, and the capital, Santo Domingo, where modern hotels sit on the same cobblestoned streets conquistador Juan Ponce de León once strode upon. Of course, these towns only begin to scratch the reef-studded surface of this stunning island nation, just coming into its golden age.

GRENADA The Spice of the Caribbean

This fragrant destination may boast more spices per mile than anywhere else in the world, but its essence is more complex than that. Nine black-sand shores and 45 white beaches lend visual character to the sensory mix, along with island-wide music and cultural festivals. Taste buds dance in Market Square and Grand Anse restaurants, and for rum connoisseurs, there's the waterpowered River Antoine Rum Distillery. Nearby, find the solarpowered Grenada Chocolate Company cottage factory, where a Balthazar River tube ride ends with organic cocoa and goat dairy, and fresh-caught seafood served every Friday.

After all, all routes lead to water here. A premier yachting center, it's renowned for game fishing. Experienced divers visit just for the Bianca C, the Caribbean's largest underwater wreck. Even the plentiful hiking trails lead to multi-tiered waterfalls or back down to beaches, where visitors can go whale- and dolphin-watching or kayaking in quiet Egmont Harbor. In Grenada, you can spice it up however you like.

Resort & Spa

JAMAICA Home of All Right

Immortalized in song, legend, and the memories of the millions of visitors that are drawn to this diverse destination every year, this island means something different for everyone. For some, it's the feeling of getting lost in hypnotizing reggae beats while barefoot in the sand. For others, it's coming alive to sensory overload with the taste of jerk seasoning on your tongue, and adrenaline in your veins as you conquer the rainforest. For the rest, it's that sensation of tangible decompression, with 12 golf courses and a long list of spectacular resorts designed to pamper.

Six distinctive regions make it possible to experience every part of the vacation spectrum between Jamaica's 146-mile-long borders. Montego Bay, the "Gulf of Good Weather," as called by Christopher Columbus, is a top choice, with easy accessibility, a "hip strip" of shops and restaurants, plethora of all-inclusive resorts, five championship golf courses, and medicinal springs. Half an hour away, Negril's Seven Mile Beach and grotto-lined cliffs call out to water lovers, where snorkeling and cliffdiving are accompanied by a live music soundtrack. To the north, Ocho Rios is a popular stop for cruisers, who visit to gape at the 600-foot Dunn's River Falls; however, staying near Runaway Bay for a few days lets travelers explore the great shopping, gorgeous gardens, and birthplace of Bob Marley, or bobsled down Mystic Mountain or zip through the rainforest. Although Ocho Rios is called the centerpiece of Jamaica, the "heartbeat" is in Kingston, the vibrant capital at the foot of the Blue Mountains, and the largest English-speaking city south of Miami. Here, a more sophisticated nightlife and cosmopolitan dining await those who are looking for a more up-tempo version of island time.

However, just a day-trip eastward lies a secluded and rugged foil, with waterfalls, hidden caves, natural springs and hillside small hotels. Even further off the beaten path is the South Coast, with isolated beaches, 19th century sugar plantations, Georgian architecture, and jungle wetlands veined with rivers. Between them all are the experiences that make sure that "you come back, mon."

ST. BARTHELEMY The Art of Being an Island

Affectionately abbreviated as St. Barts, this secluded nook was originally named by Christopher Columbus for his brother. Today, the most notable association made of this eight-mile island is as a playground for the world's elite, where luxe villas are hidden in steep hills and beachfront accommodations put snorkeling, diving, windsurfing, sailing, and fishing within steps. Impressive yachts line the harbor in Gustavia, and fabulous duty-free shopping for the finest in couture goods is never far. Premier French dining meets fresh local seafood, and this European nation's influence is apparent everywhere, with ingredients imported twice weekly.

More than a dozen public and free beaches bring visitors back to a Caribbean state of mind, and the live music from spots like La Plage, Nikki Beach, and others exist to entice you to mingle with other international vacationers and VIPs.

ST, KITTS Follow Your Heart

It must have been with a twinge in Christopher Columbus's heart that he left the place he named after the patron saint of travelers. With over 25% of its land designated as a national park, this island is a treasure trove of wildlife. Untouched dive sites teem with fish of every stripe and color. Mongooses, frigate birds, cattle egrets, and actual cattle roam this rare American oceanic rainforest—one of the only growing rainforests in the world—as vervet monkeys chatter above.

Hikes to petroglyphs, Sofa Rock on volcanic Mt. Liamuiga, and the Valley of Giants satisfy adventurers. For all, a 17.5-mile scenic, seasonal train route—the only one in the Caribbean outside of Cuba—over narrow-gauge tracks is unforgettable, and UNESCOdesignated Brimstone Hill Fortress and eight others add even more character to the salt pond-specked landscape just minutes from the capital, Basseterre. With all of this, it's a wonder visitors even make it to the swimmable golden and black beaches that make the island so alluring.

NEVIS

White coral and brown and black sands swirl together on the western and northern coastlines of this tiny island just two miles from St. Kitts. Like its sister destination, this too is an animal lover's paradise. On the ground, shaggy donkeys wander with sheep, goats, and mongooses. En route to the 3,232-foot Nevis Peak, trekkers can encounter playful vervet monkeys; at the top, they're rewarded with a native egret's-eye view of humpback whales breaking through Caribbean waves, under whose surface lie reefs, wrecks, and giant nesting sea turtles.

For a little land, the historical footprint of Nevis is sizeable. Relics of the island's sugar plantations provide a glimpse of its past, and the birthplace of American statesman Alexander Hamilton—now a museum—gives visitors a peek at where one of our country's Founding Fathers was himself founded. A lively musical tradition headlined by big drum, string band, and calypso styles takes you out of the past and into the moment.

FOUR SEASONS RESORT NEVIS $\star \star \star \star$

Practice your golf game on a scenic course, play tennis at a ten-court facility, escape to the spa's tropical gardens, go monkey-spotting on a hike, taste flavors sourced from the chef's garden in six on-property restaurants, or soak in the sun at a luxury beach house, three seaside pools, or two miles of beach. SAINT LUCIA Simply Beautiful

A leading honeymoon destination, romance is written on every grain of sand, in every splash of countless waterfalls, and every bite of Asian, American, European, and Caribbean cuisine. How could it not be, when in the colonial era, France and England fought over its beauty so frequently that it was called the "Helen of the West Indies"?

But this island isn't just for lovers. Adventure seekers head to the Pitons, Saint Lucia's two signature peaks, for biking or zipline excursions through jungle canopies. They plunge into the coral gardens of over 23 renowned scuba sites. Dive into culture in the street market of Castries; the traditional Friday and Saturday night fish fries in the towns; the jazz and calypso during Carnival; and the heritage sites of Pigeon Island National Landmark. The list of things to do rivals only the number of trails that lead up to La Soufriere, one of the world's only drive-in volcanoes, and immaculate beaches, making a honeymoon stage with this island one that never ends.

JADE MOUNTAIN ★★★★★ BOUTIQUE

ST. MAARTEN/ ST. MARTIN The Friendly Island

Two nations, two cultures—one single celebrated island. On the Dutch side, rolling hills swell over 16 square miles, with Phillipsburg, the capital of St. Maarten, recognizable to frequent cruisers. Over 500 duty-free shops line Front Street, alongside more than 300 restaurants and 14 casinos. Down the avenue are 37 beaches with visibility of up to 100 feet at sites like the HMS Proselyte frigate, but non-divers are far from land-locked—sailing is a significant part of the culture, and cruises through lagoons to nearby islands and water sports are always available.

To the French north, jet skiers and windsurfers chase the action of the seas, while fashionable visitors seeking modern culture find it in capital Marigot's Marina Port La Royale. Historians can sample the past at Loterie Farm, where a former slave trail leads to streams, iguanas, hummingbirds, and Pic Paradise, the island's highest point. For a literal taste of St. Martin, look no further than the fine dining of Grand Case, casual *lolo* shacks serving conch and other local specialties, harbor bistros, and, of course, cafés.

TURKS & CAICOS Beautiful by Nature

It only takes 90 minutes by plane from Miami to reach these 40 mostly undeveloped, uninhabited islands and cays and their 230 miles of brilliant white beaches, but less than 90 seconds to fall in love with them. The sweetheart of this destination is, of course, Providenciales, part of the renowned Caicos Islands and home of 12-mile-long Grace Bay.

Visitors to "Provo" find impeccable dining, upscale lodgings, and all the vestiges of a luxe beach escape. Anglers seek blue marlin, sailfish, and wahoo, and wildlife enthusiasts delight in mangrove salt flats with wily bonefish and underwater visibility that reveals eagle rays, turtles, and huge schools of jacks—a sight that can be attributed to 30% of the archipelago's status as a park or reserve. Wall dives let the intrepid plumb this silent world even deeper, while wreck dives like the *HMS Endymion*, a relic of the Napoleonic Wars, lie just 20 feet below. And up above? 350 days of sunshine.

U.S. VIRGIN ISLANDS The American Caribbean

It doesn't always take a passport to get to paradise. American territories in name, the water sports, beaches, Carnival, and festivals prove the USVI as Caribbean in spirit. Start with 84-mile St. Croix, one of the only places in the region that divers can explore a wall, reef, wreck, and pier in the same day, then dry off to wet their whistles at the Cruzan Rum Distillery and Captain Morgan Visitor Center.

Or set off for St. Thomas, whose elegant gourmet dining complements its duty-free shopping, a tradition established by the original traders to Jamestown, Virginia. Charlotte Amalie, USVI's capital and one of the most visited cruise ports in the Caribbean, has all the yachting and sport fishing you could want, but the best views of the boats are from on high: Paradise Peak, Flag Hill, Drake's Seat, and George and Tom Fazio's cliffside golf course.

The smallest of them all, St. John, is a foil to that bustle. So unspoiled that 800 plant species grow in its hills and so protected, it's the home of the Virgin Islands Coral Reef National Monument, its underwater snorkeling trail at Trunk Bay is a must by sea; the Taino relic-strewn Reef Bay Trail to the Annaberg sugar plantation ruins is a can't-miss by land.

The maximum liability of the ground transportation company in resort for lost or damaged property is \$400. Loss or damage must be reported immediately. Travel Impressions does not accept liability for client luggage or personal property. Advice to international passengers on limitation of liability - Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative. For such passengers on a journey to, from, or with an agreed stopping place in the United States of America, the Convention(s) provide (1) that the liability of carriers for death of or personal injury to passengers of up to 113,100 Special Drawing Rights (equal to approximately \$175,000) per passenger

shall not depend on negligence on the part of the carrier, and (2) such liability shall be limited to 113,100 Special Drawing Rights (equal to approximately \$175,000) per passenger in the absence of negligence or other wrongful act or omission on the part of the carrier. Additional information on Special Drawing Rights is available at www.imf.org. For international travel (including domestic portions of international journeys) to, from, or with an agreed stopping place in the United States of America, liability for loss, delay, or damage to baggage is limited to 1,131 Special Drawing Rights (equal to approximately \$1,750) per passenger for all baggage, including carry-on. Excess valuation may be declared on certain types of articles. Further information may be obtained from the carrier.

PACKAGE PRICE: The package prices include only items specifically stated in the participant(s) itinerary. Certain secondary features of a package (e.g., cocktail party, free sports, etc.) are based on supplier policy and may be changed, added or deleted after printing of literature. Hotel has the right to substitute services or accommodations in similar categories for items listed in the literature. Foreign government departure taxes, fees and tourist cards may be collected at the destination by the respective government authority. Please be advised that certain mandatory hotel-imposed charges, including, but not limited to, daily resort or facility fees, may be applicable to your stay and payable to the hotel at check- out from the property. You may wish to inquire with the hotel before your trip regarding the existence and amount of such charges.

The Department of Transportation (D.O.T.) has defined air transportation, tour or tour component as purchased when the full amount of that air transportation, tour or tour component has been paid by the consumer. Our intention is to provide you with the vacation which you have selected, at the price in effect at time of booking.

Pre-purchase price increases (increases to a vacation package without full payment on the record) including but not limited to an increase in the price of the air seat, an increase in the price for the carriage of the passenger baggage, an increase in the applicable fuel surcharge, or an increase in a government imposed tax or fee may apply. If for any reason we have to increase the price of your vacation, including an error made in computing your price, we will offer you the option of cancellation without charge, provided that you advise us within seven days of your receipt of notice of the increase. Post-purchase price increases (increases to a vacation package that has full payment on the record) are prohibiled except for those increases related to government imposed taxes and fees. Change fees do not constitute an increase in the price of an already purchased ticket, as technically the consumer is purchasing a new ticket for new travel.

CHANGES AND CANCELLATIONS: Special features offered by hotels are subject to change at the hotel's discretion. In the unlikely event that a major change involving a pre-departure change of hotel, departure or return date, departure city or destination becomes necessary, we will notify you as soon as possible via the contact information in the booking.

If the number of individuals occupying a room changes due to an amendment or cancellation, the remaining travelers will be responsible for any additional costs incurred as a result of a change in the per person occupancy rate. If all passengers change it is considered a new booking and cancellation penalties will apply. Suppliers' cancellation provisions on optional tours only allow a refund if cancelled with the notice required by the supplier - see the excursion company for the applicable notice provisions or to arrange a refund. To cover your cancellation and change fees, you may purchase the Travel Protection Plus which must be included in the deposit or at time of booking. Nonrefundable hotels are not covered by the Cancel for Any Reason portion of Travel Protection Plus.

CHOICE OF LAW; RESOLUTION OF DISPUTES: This Agreement is governed by the laws of, and disputes shall be venued in, the State of New York, without reference to its choice of law doctrine. All disputes, claims or controversies arising out of or related to the services of this agreement shall be submitted to mediation and if the matter is not resolved through mediation, it shall be submitted for arbitration. Unless we agree otherwise in writing, any mediation and/or arbitration shall take place in the State of New York, New York County, and shall be administered by, and pursuant to the rules of, the American Arbitration Association. Disputes shall be arbitrated on an individual basis. There shall be no right or authority for any disputes to be arbitrated on a class action basis or in a purported representative capacity on behalf of the general public, other travel customers or other persons similarly situated. The arbitrator's authority to resolve disputes and to make awards is limited to disputes between you and us alone, and is subject to the limitations of liability set forth above. Furthermore, disputes brought by either party against the other may not be joined or consolidated in arbitration with disputes brought by or against any third party, unless agreed to in writing by all parties. No arbitration award or decision shall be given preclusive effect as to issues or claims in any dispute with anyone who is not a party to the arbitration. Should any portion of this section regarding the arbitrator's authority to resolve disputes between only you and us be stricken from this agreement or deemed otherwise unenforceable, then this entire section shall be stricken from this agreement. The provisions of this section may be enforced in a court of competent jurisdiction and the party seeking enforcement shall be entitled to an award of all costs, fees and expenses (including attorney fees), to be paid by the party against whom enforcement is ordered. This arbitration provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16, as it may be amended. Certain exclusions may not apply in some jurisdictions

HAZARDOUS MATERIALS RESTRICTIONS AND INSECTICIDE NOTICE: The FAA has issued "Hazardous Materials Restrictions' effective as of Jan. 1, 2015 - Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. Special restrictions and limitations for transporting Hazardous Materials and specifically Lithium Ion batteries, refer to www.faa.gov/go/ packsafe for more information. In the event a carry-on bag cannot be accommodated in the passenger cabin and has to be placed below in a cargo bin for any reason, any electronic device or spare Lithium-ion or any other type of battery permitted in carry-on baggage MUST be removed from the carry-on bag and remain in the possession of the passenger in the passenger cabin. For further information, contact your airline representative. Some countries may require aircraft cabin insecticide treatment for in-bound foreign flights. A list of such countries is available at https://www.transportation.gov/airconsumer/spray.

REQUIRED ENTRY/RE-ENTRY DOCUMENTATION: Proper documentation is your responsibility. The following information gives current requirements for United States citizens, effective at time of printing. This information may change, so see your travel agent or contact the consulate for the country to which you are traveling for current requirements. Passengers returning to the U.S. by air from any international destination must have a valid passport, and may be denied boarding by the airline if the passport is damaged, mutilated, or has excessive wear. A "Passport Card" is not acceptable. If your name on your passport (or for non-U.S. citizens, valid travel documents) does not match your name on your travel vouchers/tickets, you will not be allowed to travel. A passport valid for a minimum of 3 months past the date of arrival is required for U.S. citizens traveling to Panama. For details on how to obtain a passport, contact your local courthouse or post office. If you are not a U.S. citizen, contact the embassy of the country to which you are traveling to determine required entry documents. We regret that we cannot accept unaccompanied minors under 18 for any travel. Failure to comply with the above requirements will result in you not being allowed to travel. Passed by Congress in 2005, the REAL ID Act established minimum ID security standards and prohibits federal agencies, like TSA, from accepting licenses and identification cards for official purposes from states that do not meet these standards. Passengers with a driver's license issued by a state that is not compliant with the REAL ID ACT (and has not been granted an extension) will need to show an alternative form of acceptable identification for domestic air travel to board their flight. To check whether your state is compliant or has an extension, visit https:// www.dhs.gov/real-id. If your state-issued ID or driver's license is not compliant, visit https://www.tsa.gov/travel/ security-screening/identification for alternate forms of acceptable ID.

DENIAL OF ENTRY: Certain countries may deny entry to travelers with even a minor criminal record, and if not a U.S. citizen, entry back into the U.S. Check with the U.S. Embassy and the embassy or consulate of the country being visited to ensure you can travel as planned. Travel Impressions does not accept responsibility if you are denied entry and cancellation penalties apply.

TRAVELING WITH CHILDREN: Some airlines do not charge for infants under two years of age, but the infant must sit on an adult's lap. Some airlines charge for infants or infant air-related taxes. Some countries charge infant departure taxes. If an infant reaches the age of two at any time during the vacation, federal law requires the purchase of a separate seat for any remaining portions of the flight. Mexican-born minors under 18 years of age traveling alone or with someone other than a parent or legal guardian, require special documentation to depart Mexico, even if the Minor is a Dual Mexican Citizen. For details, contact the Mexican embassy or visit: https://mx.usembassy.gov/implementation-ofmexican-regulations-regardingminor-travel. If your reservation includes children at a hotel not accepting children, you will be denied check-in at resort and will be responsible for any additional costs. Hotels may check passports to verify that children qualify for any discounted rate, and any applicable added charges are your responsibility. Child ages apply at time of travel, not at time of booking. Restrictions apply to "Kids Stay, Play and Eat FREE" programs. Children must be accompanied by fullpaying adults. At select hotels, a single parent traveling with up to three children may not be charged the single supplement. The hotels reserve the right to collect the single supplement in resort, or cancel any extra room upon arrival, if the promotional policy is not used in the manner for which it was intended. Restrictions apply.

HEALTH AND SAFETY TIPS: While most travel-domestic and international-is completed without incident, travel to certain destinations may involve more risk than travel to other destinations. Balcony railing heights in Mexico are lower than the mandated heights in the United States, and also may be lower in other countries. Low balcony railings create a risk of falls which may result in serious injury or death. Use common sense while vacationing abroad. For example, if you choose to drink alcohol, do so in moderation. In addition, be cognizant of the effects of mixing alcohol and certain medications. Should someone in your party become ill while on vacation, alert the resort front desk for immediate medical attention or call the emergency number provided by the resort. Also advise your Travel Agent as soon as possible, who may be able to provide assistance. If you have medical issues or concerns about medical services, Travel Impressions urges you to contact your hotel with specific questions. Please be aware that medical standards and training of emergency responders and resort medical facilities vary greatly, and health care abroad may not be the same as you might expect at home. It may be standard policy for hospitals and medical providers abroad to require cash payment upfront for services. Check with your insurance provider regarding claims for reimbursement. Sports and aquatic equipment, especially scuba gear. may not meet U.S. safety standards and many resort pools and beaches may lack lifeguards. In tropical climates, we strongly recommend the use of insect repellent, especially during rainy season; seek shade in order to avoid heat exhaustion, and stay hydrated. Bottled drinking water is recommended.

Travel Impressions urges passengers to review current travel advisories, warnings and restrictions issued by the U.S. government before booking any travel. For details, visit www.travel.state.gov, www.tsa.gov, www. dot.gov, www.faa.gov, www.crdc.gov, www.travel.state.gov/afac and www. customs.gov. BY OFFERING FOR SALE TRAVEL TO PARTICULAR DESTINATIONS, TRAVEL IMPRESSIONS DOES NOT REPRESENT OR WARRANT THAT TRAVEL TO SUCH DESTINATIONS IS SAFE, ADVISABLE OR WITHOUT RISK, AND IS NOT LIABLE FOR ANY DAMAGES OR LOSSES THAT MAY RESULT FROM TRAVEL TO SUCH DESTINATIONS.

MEXICO - ENVIRONMENTAL SUSTAINABILITY TOURIST ECO TAX: In an effort to continue to preserve, conserve and beautify the destinations, the following municipalities have implemented small environmental levies, payable at your hotel upon hotel check-in or check-out: Municipality of Benito Juarez & Municipality of Puerto Morelos (Cancun/Riviera Cancun)/ Municipality of Solidaridad, Riviera Maya/ Municipality of Cozumel Quintana Roo — hotels will collect approximately 25 Mexican pesos per room, per night.
