And we'll make sure that all of the details are covered, including letting you know of any changes after your reservations are made.

No matter where in the world you choose to go, partnering with Travel Impressions is an important first step toward a unique and memorable vacation experience.

MAKE THE MOST OF YOUR TRAVELS

Planning your trip through a travel agent is the best way to book your vacation. Agents have a wealth of experience and knowledge to draw upon and can craft a trip specifically designed to meet your wishes and budget. They can help you find the best deals, enjoy special perks, and take care of the plethora of details that go into a successful vacation experience.

To make your trip even more exciting, ask about reserving one of the tours included in this brochure before you leave! This allows you to arrive with your arrangements already made, so you can get right to enjoying being at your destination. To reserve a tour or get more information, contact your travel professional.

Be sure to ask about any additional amenities that may be available, such as spa treatments and golf outings. Your travel agent can help you navigate your choices and verify at the time of reservation. Bonus amenities are subject to change and restrictions.

EXCLUSIVE NONSTOP VACATION FLIGHTS

They say it's not about the destination, but more about the journey. We ask: why can't it be about both? Not only does Travel Impressions provide a range of accommodations for every budget and vacation style, but we also offer a multitude of options on how to get there.

A BETTER IN-FLIGHT EXPERIENCE

We believe your vacation begins when you board your flight, from the second your smiling flight attendant greets you and you change your phone setting to airplane mode. Whether you'll be traveling on a scheduled air or Exclusive Nonstop Vacation Flight, your airline has been selected for comfort, service, value, and reliability. We offer flexible scheduled air service on major airlines from your preferred departure city, plus unique Exclusive Nonstop Vacation Flights from over 20 U.S. gateways coast to coast. All of our Exclusive Nonstop Vacation Flights are direct meaning you'll spend less time getting there and more time being there.

Nevertheless, why not enjoy a few comforts on the way? We offer many affordable in-flight upgrades that will help you better enjoy that journey.

Welcome to the CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannas.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality surrounded by colonial architecture on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, indelible marks from the sweetest of escapes.

Welcome to CENTRAL AMERICA

Connected geographically to North America and culturally to Mexico and South America, this isthmus of seven beautiful countries is a literal bridge between the two. In this subcontinent that floats between worlds, everything here is, in a word, diverse: the rainforested volcanic landscape; the *mestizo* heritage of European and Native American roots; the variety of foods that springs from fertile ground.

Don't just sample but savor chocolate where it was first cultivated by the ancient Mayans and dubbed *theobroma*—"food of the gods"—*cacao*. Put on your most adventurous sandals and see if you can identify even close to the 8,000 different plant species in this region's forests. Turn your face skyward to taste clean water that took ten minutes just to permeate the dense canopy of the tropical rainforest from the heavens above. Or, head for the surf and sand. It's not hard in Central America, where not a single destination is farther than 125 miles from the oceans that surround it, and the waves are renowned for being as spectacular as the cloud forests that float languidly between mountain valleys.

Will your lasting impression be of minnows that flit between round river rocks and your toes through crystal-clear freshwater streams in Belize? Or the rush of adrenaline you'll awaken in Costa Rica as you soar across a zipline, raft fast-moving currents, and hurtle into forest depths on a bungee? With so many fresh destinations to be discovered in Central America, who's to say what yours will be?

Welcome to MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where fútbol is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl flows like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the 11th most populated country in the world. Featuring a landscape that offers sugar-white beaches and cinnamon deserts, forgotten cities and remembered, and restored colonial hubs in between, it's no wonder 15-16 million Americans cross the second-longest border in the world each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From Baja California to the Yucatan Peninsula, the Gulf of Mexico to the Sea of Cortez, the magic of Mexico awaits to impress.

Welcome to EUROPE

Even with a vast ocean between us, the lure of the Old World is inescapable, its magic, untranslatable. Americans have long been fascinated by the stunning lands many of our families came from; the life-altering impressions they leave are eternal. Every region in every country has its own deep, wholly unique roots. These roots connect intricately throughout the continent, a complex network from which sprouted the origins of nearly every facet of Western society and civilization as we know it today.

Squint into the distance: you can still see the ghosts of rising dust clouds on roads leading to Rome or Athens. Time travel becomes easy when staying in a rustic chateau among the sweet lavender of Provence; cypress-guarded hills of sun-drenched Tuscany; or the exotic Moorish architecture of Seville. It simply stands still when sipping an espresso on the canals of Venice or Amsterdam; strolling the rose gardens of the English countryside; or while listening to the whistle of the wind through the heather of Scotland.

Travel inland, and feel the rumble of carriages over age-old cobblestones, reverberating through your soles in places like Vienna, Budapest, and Paris. Crane your neck until you can stretch it no more to take in majestic spires that twist into the sun in Prague, London, or Barcelona. Trade those towers for whitewashed buildings capped in blue in Mykonos or onion-dome swirls in Istanbul. Or, turn your gaze skyward once more to mountaintops hidden by clouds, a jagged horizon of white and green across Switzerland, Austria, Germany, France, and Italy.

Regardless of the European destination, the lasting impression you'll take home is that it's indeed possible to find yourself swept up in the romance of a fairy tale. The only question is, which story will you choose?

Welcome to SOUTH AMERICA

Cross the Equator to turn your world upside-down; take wing to turn winter into summer, and vice versa. It may sound like magic, but it won't be the journey to South America that will have you spellbound—it'll be the people, culture, and landscape that enchant you.

Covering nearly 12% of the Earth's surface area, this mysterious continent is intriguing in its untamed diversity. From the highlands and plateaus of the east to the Andes Mountains of the west, and the river plain where the mighty Amazon River roars, some of the most beautiful natural sights on the planet are concentrated here. The highest volcanoes in the world tower above Peru, Bolivia, Chile, and Argentina, while more than 2,000 species of butterflies keep some of the world's most rare and even yet-undiscovered flora and fauna company in the Amazonian jungle and Incan wilds. In the cities, the cosmopolitan streets of Buenos Aires and heady nightlife of Rio de Janeiro draw out butterflies of a social kind, while European Uruguay is a menagerie of natural and manmade habitats. The only question that remains is, which will you flit to?

Welcome to TAHITI AND HER ISLANDS

Thatched-roof bungalows float on stilts in seas so clear that you can wave to your curious shadow on its sandy floor. The front door opens; you jump right into the water, laughing as you startle colorful fish who dazzle you in turn with their brilliance. Dry off in a hammock, facing mountains that appear like magic on the horizon, past alabaster sand and palms angled toward a perpetual sun. Resist the urge to pinch yourself—this paradise does, indeed, exist, and it's more incredible than you'd even imagined.

Sprinkled across two million square miles of ocean are 118 miniscule islands and atolls. Of these, the Society Islands archipelago is perhaps the most well-known. It's here that you'll find Tahiti, Bora Bora, Moorea, Huahine, Raiatea, and Taha'a seamlessly interconnected by fast ferries, short flights, and thousands of years of Polynesian history.

Javelin throwing, surfing, and the 122-year-old Heiva i Tahiti festival remain time-honored traditions, as permanently etched into the Maohi people as their gorgeous tattoos. Tahitian tiare flowers perfume every graceful move their famous dancers make, and black pearls, vanilla beans, wood carvings, and hand-dyed pareo fabrics help you prove that your days of 80-degree water, hikes, massages, diving, canoeing, deep sea fishing, hand-feeding sharks, yachting, dining, dancing, and picnicking in the epitome of utopia were not just a blissful dream, but a memory.

Welcome to the UNITED STATES

The streets are paved in gold, it was once whispered. Opportunity is everywhere in the Western World, the greatest melting pot on Earth, they've said. It's known as the "land of the free," where "purple mountains majesty" shade "amber waves of grain;" in China, its name is simply "the Beautiful Nation." However, we're fortunate enough to call the United States by one word: home.

This is America, a country so geographically and culturally diverse that people spend their whole lives traveling its borders and still leave sights unseen. One of the most stable and mightiest nations today, filled with unique states and reasons to visit, it's no wonder that travelers from the world over dream about our famous cities and tropical, alpine, prairie, desert, and forest landscapes under endless skies.

Fast-paced New York is on many a bucket list, with its towering skyscrapers and legendary glamour. On the other side of the spectrum is wild Alaska, where bears and moose are more likely neighbors than folk. The wonder of the Grand Canyon brings a different type of surrealism to the touristic table and counters it with immaculate golf and spas—luxuries also renowned in fun-loving, star-studded California, whose film tradition has changed the world. However, movies take the backseat when live entertainment is non-stop in cities like Las Vegas, New Orleans, Orlando and Miami.

"From the mountains to the prairies and the oceans white with foam," every state leaves its own lasting impression, but ubiquitous through them all is "America, the Beautiful."

TRAVEL IMPRESSIONS TERMS & CONDITIONS

SECTION 1. TERMS AND CONDITIONS APPLICABLE TO LAND ONLY, SCHEDULED AIR PACKAGES AND CHARTER AIR PROGRAMS: THIS AGREEMENT CONTAINS THE TERMS AND CONDITIONS BY WHICH TRAVEL IMPRESSIONS, 999 STEWART AVE, SUITE 210, BETHPAGE NY 11714 IN CONSIDERATION FOR A PARTICIPANT'S PAYMENT, AGREES TO PROVIDE THESE TRAVEL TOURS. ALL PRODUCTS AND SERVICES DEPICTED IN THIS BROCHURE ARE SUBJECT TO CHANGE WITHOUT NOTICE. THE INFORMATION IN THIS BROCHURE IS CURRENT AS OF THE DATE OF PRINTING AND MAY BE DIFFERENT ON YOUR BOOKING OR TRAVEL DATES. PLEASE VISIT WWW.TRAVELIMPRESSIONS.COM FOR THE MOST CURRENT INFORMATION. READ THIS AGREEMENT CAREFULLY. PAYMENT TO TRAVEL IMPRESSIONS OR YOUR TRAVEL AGENT CONSTITUTES ACCEPTANCE OF THESE TERMS AND CONDITIONS.

RESERVATIONS AND PAYMENT: Travel Impressions accepts payment by credit and debit cards issued on the following networks: AMERICAN EXPRESS, VISA, MASTERCARD, or DISCOVER. Any other person or entity (including a travel agent) who receives monies from participants does so strictly as an agent of participants. **Transportation Security Administration (TSA) regulations require you to provide your full name as it appears on your travel documents, date of birth, and gender at the time of booking for the purpose of watch-list screening. Failure to provide this information will result in you not being allowed to travel. For details, visit tsa.gov.** Once your reservation is confirmed, the amendment and cancellation charges as explained in the Fair Trade Contract apply. When booking with an airline-sponsored credit card, benefits such as free baggage fees which may apply when booking with the airline directly WILL NOT apply to your Travel Impressions vacation.

DEPOSIT REQUIREMENTS/LATE BOOKING FEE: Full payment of the Cancel for Any Reason Waiver and Travel Protection Plan is due at the time of booking, if selected. Travel Impressions reserves the right to issue scheduled airline tickets once the applicable deposit has been paid. Certain bookings are subject to different deposit and payment requirements. We reserve the right to treat the booking as cancelled by you if the balance due is not paid when due. 100% hotel deposit may apply for select hotels for holiday departures. For current deposit policy visit <http://www.travimp.com/about/terms.html>. In the event your hotel is supplied by Travelscape LLC, the policy at <http://developer.earn.com/terms/en/> apply.

DOCUMENTS: Documents will be mailed/emailed once full payment is received. Document reissue fee is \$25 per booking plus supplier fees.

CHECK-IN PROCEDURE: Failure to check-in for your flight at the appropriate time may result in denied boarding and a refund may not be granted. Check-in times vary by carrier/airport and all participants are required to check with the carrier for the most current information.

LIABILITY STATEMENT: Travel Impressions and its parent, subsidiaries, affiliates and representatives (collectively, "TI"), act as agents for independent travel suppliers, such as airlines, hotels and other independent suppliers to provide you with the services you purchase; and is represented in destination by companies organized and existing in that destination, including providers of transportation and excursions. We have taken all reasonable steps to ensure that proper arrangements have been made for your vacation. However, we do not accept and expressly disclaim any liability for the actions or omissions of these independent suppliers. If you find you have any dispute with such persons, however, we will give you as much reasonable help as we can in resolving a dispute.

You understand and agree that TI shall not be liable for any loss, injury, expense or damage to persons or property resulting, directly or indirectly, from the acts or omissions of these independent travel suppliers, including but not limited to delays, overbookings, cancellation of services, cessation of operations, accidents, failures of equipment, or changes in fares, itineraries or schedules.

TI cannot control and will not be responsible for bodily injury, property or other damage or loss caused by factors beyond our control, including but not limited to flight delays, airline turbulence, transportation accidents, war, terrorism, weather, quarantine, sickness, government restrictions, regulations or actions, mechanical breakdowns, acts of God, fires, earthquakes, floods, climatic aberrations, acts of civil unrest, strikes, riots, theft, disease or accidents, or failures related to the public internet, telecommunications lines or facilities, or third party technology systems, other unforeseen circumstances, or any other cause beyond our control, including your physical, medical or mental disabilities, your failure to obtain valid travel documents or your failure to follow travel instructions. Under no circumstances shall TI be liable for any special, incidental or consequential damages arising from the foregoing. Certain exclusions may not apply in some jurisdictions.

Travel Impressions, the airlines and other suppliers it uses, issue tickets, coupons or electronic documents covering transportation, hotel accommodations and other services and facilities. Neither Travel Impressions nor these suppliers, or their respective subagents, shall be held liable for loss or damage to property or injury of person caused by reason of any act, omission, defect or

negligence by any other hotel agency, transportation company or party providing such services or facilities.

All airlines concerned are not liable for any claim arising out of or in connection with carriage or other services or features otherwise performed or occurring in connection with this package, except as provided in the conditions of carriage for the airlines and the passenger tickets issued in conjunction with this package. TI is not responsible under any circumstances for any injury or damages you may suffer in connection with your air or ground transportation.

All prices and features described in Travel Impressions' promotional materials and website are subject to change without notice. Some hotel room photographs do not depict the standard room category. If any term or provision of this contract is held invalid or otherwise unenforceable, the enforceability of the remaining terms or provisions will not be impaired thereby.

INTERMEDIARY DISCLOSURE: Travel Impressions assists you in finding travel suppliers and making arrangements that meet your individual needs. We consider various factors in identifying travel suppliers to you and recommending specific itineraries. In this role, we are acting as an independent third party and not as a fiduciary.

TERMS OF PURCHASE: Please note that separate terms and conditions dictated by the applicable supplier will apply to your reservation and purchase of products and services. You agree to abide by such terms and conditions, including payment of all amounts when due and compliance with the applicable supplier's policies, rules and restrictions regarding availability and use of fares, products and services. You understand that any violation of any such supplier's terms, conditions, policies, rules or restrictions may result in (a) your forfeiting any monies paid for such reservation or purchase, (b) cancellation of your reservation or purchase, (c) your being denied access to any flights, hotels or other products or services, and (d) Travel Impressions debiting your account for any costs Travel Impressions incurs as a result of such violation. You acknowledge that you will be responsible for all charges, fees, duties, taxes and assessments arising out of your purchase of the travel products from Travel Impressions. Travel Impressions works with our suppliers to provide you with the best rates. To pass these values on to our customers, we are prohibited from breaking out individual component prices and will not be able to provide those to you. In the event your hotel is supplied by Travelscape LLC, the terms and conditions at <http://developer.earn.com/terms/en/> apply.

FLIGHT INFORMATION: Your travel agent will be able to confirm the latest flight details at the time you make your reservation, and these will also appear on the booking confirmation we issue when we receive your deposit. Once your booking is paid in full, we dispatch your electronic documents which will contain your flight information. All times are subject to change. It is your responsibility to reconfirm your flight times prior to departing for the airport. TI assumes no responsibility for any passengers making independent connections to flights booked through Travel Impressions.

Pre-assigned seat selection is at the discretion of the air carrier and may require payment of an additional fee.

LUGGAGE AND PERSONAL PROPERTY: The baggage allowance and fees vary and are set by each air carrier. Information on carrier baggage policy and fees, liability for lost, misconnected and damaged baggage or other personal property can be obtained through your travel agent, by contacting the air carrier directly, or by requesting them at the airport. **For air carrier baggage policies, visit <http://content.travimp.com/quest/baggage.html>. All lost or damaged luggage must be reported to an airline representative at the destination airport by the passenger before you leave the airport.** Some airlines do not cover damage to soft-sided luggage. Checked baggage taken from the terminal building at the destination will be considered to have been received in good condition and no claim for loss or damage will be accepted after baggage has been removed from the terminal. The maximum liability of the ground transportation company in resort for lost or damaged property is \$400. Loss or damage must be reported immediately. Travel Impressions does not accept liability for client luggage or personal property. **Advice to international passengers on limitation of liability** – Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative. For such passengers on a journey to, from, or with an agreed stopping place in the United States of America, the Convention(s) provide (1) that the

liability of carriers for death of or personal injury to passengers of up to 113,100 Special Drawing Rights (equal to approximately \$175,000) per passenger shall not depend on negligence on the part of the carrier, and (2) such liability shall be limited to 113,100 Special Drawing Rights (equal to approximately \$175,000) per passenger in the absence of negligence or other wrongful act or omission on the part of the carrier. Additional information on Special Drawing Rights is available at www.imf.org. For international travel (including domestic portions of international journeys) to, from, or with an agreed stopping place in the United States of America, liability for loss, delay, or damage to baggage is limited to 1,131 Special Drawing Rights (equal to approximately \$1,750) per passenger for all baggage, including carry-on. Excess valuation may be declared on certain types of articles. Further information may be obtained from the carrier.

PACKAGE PRICE: The package prices include only items specifically stated in the participant(s) itinerary. Certain secondary features of a package (e.g., cocktail party, free sports, etc.) are based on supplier policy and may be changed, added or deleted after printing of literature. Hotel has the right to substitute services or accommodations in similar categories for items listed in the literature. Foreign government departure taxes, fees and tourist cards may be collected at the destination by the respective government authority. Please be advised that certain mandatory hotel-imposed charges, including, but not limited to, daily resort or facility fees, may be applicable to your stay and payable to the hotel at check-out from the property. You may wish to inquire with the hotel before your trip regarding the existence and amount of such charges.

The Department of Transportation (D.O.T.) has defined air transportation, tour or tour component as purchased when the full amount of that air transportation, tour or tour component has been paid by the consumer. Our intention is to provide you with the vacation which you have selected, at the price in effect at time of booking.

Pre-purchase price increases (increases to a vacation package without full payment on the record) including but not limited to an increase in the price of the air seat, an increase in the price for the carriage of the passenger baggage, an increase in the applicable fuel surcharge, or an increase in a government imposed tax or fee may apply. If for any reason we have to increase the price of your vacation, including an error made in computing your price, we will offer you the option of cancellation without charge, provided that you advise us within seven days of your receipt of notice of the increase. Post-purchase price increases (increases to a vacation package that has full payment on the record) are prohibited except for those increases related to government imposed taxes and fees. Change fees do not constitute an increase in the price of an already purchased ticket, as technically the consumer is purchasing a new ticket for new travel.

CHANGES AND CANCELLATIONS: Special features offered by hotels are subject to change at the hotel's discretion. In the unlikely event that a major change involving a pre-departure change of hotel, departure or return date, departure city or destination becomes necessary, we will notify you as soon as possible via the contact information in the booking.

If the number of individuals occupying a room changes due to an amendment or cancellation, the remaining travelers will be responsible for any additional costs incurred as a result of a change in the per person occupancy rate. If all passengers change it is considered a new booking and cancellation penalties will apply. Suppliers' cancellation provisions on optional tours only allow a refund if cancelled with the notice required by the supplier - see the excursion company for the applicable notice provisions or to arrange a refund. To cover your cancellation and change fees, you may purchase the Cancel for Any Reason Waiver and Travel Protection Plan which must be included in the deposit or at time of booking. Nonrefundable hotels are not covered by the Cancel for Any Reason Waiver.

If you have any questions about your current coverage, call your insurer, insurance agent or broker.

*Cancel for Any Reason Waiver is provided by Travel Impressions. Note to Minnesota, Missouri and New York residents only: The Cancel for Any Reason Waiver can be purchased separate from the Travel Insurance. Contact 1-877-538-3815 for details.

*Travel Impressions, is a licensed insurance provider in certain states, and will provide services to you as a representative of and on behalf of Arch Insurance Company, in all other states it operates as Travel Retailer under Aon Affinity. CHOICE OF LAW; RESOLUTION OF DISPUTES: This Agreement is governed by the laws of, and disputes shall be venue in, the State of New York, without reference to its choice of law doctrine. All disputes, claims or controversies arising out of or related to the services of this agreement shall be submitted to mediation and if the matter is not resolved through mediation, it shall be submitted for arbitration. Unless we agree otherwise in writing, any mediation and/or arbitration shall take place in the State of New York, New York County, and shall be administered by, and pursuant to the rules of, the American Arbitration Association. Disputes shall be arbitrated on an individual basis. There shall be no right or authority for any disputes to be arbitrated on a class action basis or in a purported representative capacity on behalf of the general public, other travel customers or other persons similarly situated. The arbitrator's authority to resolve disputes and to make awards is limited to disputes between you and us alone, and is subject to the limitations of liability set forth above. Furthermore, disputes brought by either party against the other may not be joined or consolidated in arbitration with disputes brought by or against any third party, unless agreed to in writing by all parties. No arbitration award or decision shall be given preclusive effect as to issues or claims in any dispute with anyone who is not a party to the arbitration. Should any portion of this section regarding the arbitrator's authority to resolve disputes between only you and us be stricken from this agreement or deemed otherwise unenforceable, then this entire section shall be stricken from this agreement. The provisions of this section may be enforced in a court of competent jurisdiction and the party seeking enforcement shall be entitled to an award of all costs, fees and expenses (including attorney fees), to be paid by the party against whom enforcement is ordered. This arbitration provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16, as it may be amended.

Certain exclusions may not apply in some jurisdictions.

AIR TRANSPORTATION: Important airline ticket terms and conditions and other important notices apply to air transportation. Please visit <http://www.travimp.com/airlinetickettc.html> for more information. For further information, contact your airline representative. Violation of these restrictions will result in imprisonment and financial penalties.

HAZARDOUS MATERIALS RESTRICTIONS AND INSECTICIDE NOTICE: The FAA has issued "Hazardous Materials Restrictions" effective as of Jan. 1, 2015 - Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. Special restrictions and limitations for transporting Hazardous Materials and specifically Lithium Ion batteries, refer to www.faa.gov/go/packsafe for more information. In the event a carry-on bag cannot be accommodated in the passenger cabin and has to be placed below in a cargo bin for any reason, any electronic device or spare Lithium-ion or any other type of battery permitted in carry-on baggage MUST be removed from the carry-on bag and remain in the possession of the passenger in the passenger cabin. For further information, contact your airline representative. Some countries may require aircraft cabin insecticide treatment for in-bound foreign flights. A list of such countries is available at <https://www.transportation.gov/airconsumer/spray>.

REQUIRED ENTRY/RE-ENTRY DOCUMENTATION: Proper documentation is your responsibility. The following information gives current requirements for United States citizens, effective at time of printing. This information may change, so see your travel agent or contact the consulate for the country to which you are traveling for current requirements. Passengers returning to the U.S. by air from any international destination must have a valid passport, and may be denied boarding by the airline if the passport is damaged, mutilated, or has excessive wear. A "Passport Card" is not acceptable. If your name on your passport (or for non-U.S. citizens, valid travel documents) does not match your name on your travel vouchers/tickets, you will not be allowed to travel. A passport valid for a minimum of 3 months past the date of arrival is required for U.S. citizens traveling to Panama. For details on how to obtain a passport, contact your local courthouse or post office. If you are not a U.S. citizen, contact the embassy of the country to which you are traveling to determine required entry documents. We regret that we cannot accept unaccompanied minors under 18 for any travel. Failure to comply with the above requirements will result in you not being allowed to travel. Passed by Congress in 2005, the REAL ID ACT established minimum ID security standards and prohibits federal agencies, like TSA, from accepting licenses and identification cards for official purposes from states that do not meet these standards. Passengers with a driver's license issued by a state that is not compliant with the REAL ID ACT (and has not been granted an extension) will need to show an alternative form of acceptable identification for domestic air travel to board their flight. To check whether your state is compliant or has an extension, visit <https://www.dhs.gov/real-id>. If your state-issued ID or driver's license is not compliant, visit <https://www.tsa.gov/travel/security-screening/identification> for alternate forms of acceptable ID.

DENIAL OF ENTRY: Certain countries may deny entry to travelers with even a minor criminal record, and if not a U.S. citizen, entry back into the U.S. Check with the U.S. Embassy and the embassy or consulate of the country being visited to ensure you can travel as planned. Travel Impressions does not accept responsibility if you are denied entry and cancellation penalties apply.

TRAVELING WITH CHILDREN: Some airlines do not charge for infants under two years of age, but the infant must sit on an adult's lap. Some airlines charge for infants or infant air-related taxes. Some countries charge infant departure taxes. If an infant reaches the age of two at any time during the vacation, federal law requires the purchase of a separate seat for any remaining portions of the flight. Mexican-born minors under 18 years of age traveling alone or with someone other than a parent or legal guardian, require special documentation to depart Mexico, even if the Minor is a Dual Mexican Citizen. For details, contact the Mexican embassy or visit: <https://mx.usembassy.gov/implementation-of-mexican-regulations-regarding-minor-travel>. If your reservation includes children at a hotel not accepting children, you will be denied check-in at resort and will be responsible for any additional costs.

Hotels may check passports to verify that children qualify for any discounted rate, and any applicable added charges are your responsibility. Child ages apply at time of travel, not at time of booking. Restrictions apply to "Kids Stay, Play and Eat FREE" programs. Children must be accompanied by full-paying adults. At select hotels, a single parent traveling with up to three children may not be charged the single supplement. The hotels reserve the right to collect the single supplement in resort, or cancel any extra room upon arrival, if the promotional policy is not used in the manner for which it was intended. Restrictions apply.

HEALTH AND SAFETY TIPS: While most travel—domestic and international—is completed without incident, travel to certain destinations may involve more risk than travel to other destinations. Balcony railing heights in Mexico are lower than the mandated heights

in the United States, and also may be lower in other countries. Low balcony railings create a risk of falls which may result in serious injury or death. Use common sense while vacationing abroad. For example, if you choose to drink alcohol, do so in moderation. In addition, be cognizant of the effects of mixing alcohol and certain medications. Should someone in your party become ill while on vacation, alert the resort front desk for immediate medical attention or call the emergency number provided by the resort. Also advise your Travel Agent as soon as possible, who may be able to provide assistance. If you have medical issues or concerns about medical services, Travel Impressions urges you to contact your hotel with specific questions. Please be aware that medical standards and training of emergency responders and resort medical facilities vary greatly, and health care abroad may not be the same as you might expect at home. It may be standard policy for hospitals and medical providers abroad to require cash payment upfront for services. Check with your insurance provider regarding claims for reimbursement. Sports and aquatic equipment, especially scuba gear, may not meet U.S. safety standards and many resort pools and beaches may lack lifeguards. In tropical climates, we strongly recommend the use of insect repellent, especially during rainy season; seek shade in order to avoid heat exhaustion, and stay hydrated. Bottled drinking water is recommended.

Travel Impressions urges passengers to review current travel advisories, warnings and restrictions issued by the U.S. government before booking any travel. For details, visit www.travel.state.gov, www.tsa.gov, www.dot.gov, www.faa.gov, www.cdc.gov, www.treas.gov/ofac and www.cbc.gov. BY OFFERING FOR SALE TRAVEL TO PARTICULAR DESTINATIONS, TRAVEL IMPRESSIONS DOES NOT REPRESENT OR WARRANT THAT TRAVEL TO SUCH DESTINATIONS IS SAFE, ADVISABLE OR WITHOUT RISK, AND IS NOT LIABLE FOR ANY DAMAGES OR LOSSES THAT MAY RESULT FROM TRAVEL TO SUCH DESTINATIONS.

MEXICO- ENVIRONMENTAL SUSTAINABILITY TOURIST ECO TAX: In an effort to continue to preserve, conserve and beautify the destinations, the following municipalities have implemented small environmental levies, payable at your hotel upon hotel check-in or check-out: Municipality of Benito Juarez & Municipality of Puerto Morelos (Cancun/Riviera Cancun)/ Municipality of Solidaridad, Riviera Maya/ Municipality of Cozumel Quintana Roo – hotels will collect approximately 25 Mexican pesos per room, per night

KNOW BEFORE YOU GO: For travel tips and information visit <http://www.travimp.com/edocs/knowbeforeyougo.html>.

FOR CUSTOMERS PURCHASING TRAVEL IN THE STATE OF CALIFORNIA: Our California State Seller of Travel Registration number is 2139014-20. Travel Impressions is not a participant in the California Travel Consumer Restitution Fund but is a member of the United States Tour Operators Association ("USTOA"). California law requires certain sellers of travel to have a trust account or bond. This business has an account with the USTOA in the amount of \$1,000,000.00 (US). Travel Impressions, as an Active Member of USTOA, is required to post \$1 Million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Travel Impressions customers in the unlikely event of Travel Impressions bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 Million posted by Travel Impressions may be sufficient to provide only a partial recovery of the advance payments received by Travel Impressions. Complete details of the USTOA Travelers Assistance Program may be obtained by writing to USTOA at 275 Madison Avenue, Suite 2014, New York, New York 10016, or by e-mail to information@ustoa.com or by visiting www.USTOA.com.
